

## WE ARE YOUR **LOCAL** BUILDER

Beautiful homes, beautiful people, all local.  
That's what we see here at Dicharry Homes. We serve our local community through quality construction, superior designs, and a one-of-a-kind experience. In this effort, our local community is made more beautiful with each home we build.

We're not just in the business of building homes, but building lives too.

This informational booklet is for marketing purposes only. Dicharry Homes reserves the right of price, plan and specification change without notice or prior obligation. Artist's rendering may show optional features. Please consult your Sales Representative and refer to our Construction Agreement to determine which features and specifications are included in your home. Restrictions may apply.

# ABILENE

4 bedrooms    3.5 baths    2,753 sqft living space

# ABILENE Floor Plan

## Upstairs Bonus Room:

The Abilene includes a bonus room and bathroom as its second story. Many use this bonus room as an additional bedroom, but it can work as a space for anything you need! Fun options include an office, an indoor greenhouse for indoor plants, a media room, or even a room to build a gigantic lego city in.

Truly unlimited possibilities. Your choice!

3,655 total square feet
