

WE ARE YOUR **LOCAL** BUILDER

Beautiful homes, beautiful people, all local.
That's what we see here at Dicharry Homes. We serve our local community through quality construction, superior designs, and a one-of-a-kind experience. In this effort, our local community is made more beautiful with each home we build.

We're not just in the business of building homes, but building lives too.

This informational booklet is for marketing purposes only. Dicharry Homes reserves the right of price, plan and specification change without notice or prior obligation. Artist's rendering may show optional features. Please consult your Sales Representative and refer to our Construction Agreement to determine which features and specifications are included in your home. Restrictions may apply.
